

Ring Size Chart

Measuring Method-1

Step 1: Take a ring you already own

Step 2: Place it on a scale

Step 3: Measure the internal diameter

Step 4: Compare the measurement to our conversion chart to find your ring size

Measuring Method-2

Step 1: Take a piece of string, and wrap it around your finger at the base

Step 2: Mark the string with a pen where the end meets

Step 3: Use a scale to measure the marked area of string

Step 4: Compare the measurement to our conversion chart to find your ring size
